MISCELLANEOUS COMMUNICATION

Sir:

The following is a summary of the teleconference on 31 May 2002 between the undersigned and Examiner Henry Yuen, acting supervisor of the Examiner.

In response to an inquiry about the disposition of the Petition to Reset a Period for Reply Due to Late Receipt of an Office Action, filed 25 January 2002, Mr. Yuen stated that the first Office Action issued 1 December 2001 was rendered moot by the identical, second Office Action issued 14 March 2002. Thus, all reply due dates connected with the first Office Action (including the end of the statutory period for reply on 1 June 2002) are no longer applicable, and that those reply due dates set in connection with the second Office Action (including the end of the shortened statutory period for reply on 14 June 2002) are applicable.

Respectfully submitted,
